Credit by Exam

Exams are proctored virtually. Students test from home.

What is Credit by Exam (CBE)?

Students can earn credit for courses in which they demonstrate mastery of course material by taking the course exam(s). ASI offers a variety of options for CBE.

CBE does not satisfy the NCAA core course requirement.

- Tests can only be taken one time per subject.
- All exams are computer-based and will be taken online.
- CBEs are not considered Honors credit.
- Students must earn a 70% on the CBE to earn credit.
- Grades are posted with the letter grade to reflect the percentage scored.
- Failed tests are not posted to the student's transcript.

Course Available for CBE

- **Mathematics:** Pre-Algebra, Algebra I, Algebra II, Geometry
- **Social Studies:** US Government & Economics, US History, World History
- **English/Language Arts:** English 9, English 10, English 11, and English 12
- **Science:** Biology, Chemistry, Physics, Earth Science

Students can request a CBE through their success manager. Exams are proctored.

You will need the following to take the exam:

- Webcam with audio is mandatory
- Use Google Chrome - no other browser will work
- Have a Picture ID - School ID or other government ID

Cost for CBE

\$399 per exam with a \$200 enrollment fee for new students.
