# National Honor Society

## National Honor Society (NHS)

The National Honor Society, NHS, is an organization that empowers high school students to be the role models and leaders of the future. This organization inspires students to elevate the qualities of **scholarship, service, leadership, and character** in themselves, and their communities. These four pillars are the basis of the National Honor Society, and the standards to which all members are held.

National Honor Society membership has been the true mark of student achievement for over 100 years, but it goes far beyond a report card by empowering, championing, and recognizing well-rounded students.

NHS chapters operate in all 50 states and many schools around the world, engaging and serving more than 1.4 million students nationwide ([nationalhonorsociety.org](http://nationalhonorsociety.org)).

## Am I Eligible to Apply?

- High school students in 2nd through 4th years of high school (regarding 4th-year students, only those in their first semester are eligible) who currently attend an Advantages-accredited institution, and are working on an ASI or co-branded school diploma.
- Students with a GPA of 3.0 or higher
- Students showing high academic integrity, pursuing leadership, providing service to others, and exhibiting high moral character.

\*Applicants are selected by the ASI Advisory Board based on their academic performance, and personal merit. Not all that apply are accepted into this elite program.

## Why Apply to be a Part of National Honor Society?

- Networking Opportunities through LEAD conferences, National Leadership Week, and State Summit events held exclusively for NHS members and leaders.
- Over 400 College scholarships are given to NHS members each year
- NHS membership on your college applications are appealing to college admissions
- Service projects are an excellent way to build up your community and college resume!
